AMTESOL Conference

January 29-31, 2026

We look forward to welcoming you to Flowood for the 2026 AMTESOL Conference. Like the mighty Mississippi River that has shaped cultures and connected communities for generations, AMTESOL 2026 promises a transformation educational conference where educators, administrators, and researchers converge in Flowood, Mississippi, to explore innovative approaches to English Language instruction. Just as the river's currents unite diverse tributaries, our conference celebrates the rich tapestry of cultures and languages that enrich our classrooms.

This collaborative conference celebrates the shared commitment of Alabama and Mississippi educators working together to enhance educational outcomes not only for multilingual learners but for all learners. We look forward to seeing you at AMTESOL 2026.

The logo for Amtesol 2026 is set against a light blue background. At the top, a blue guitar headstock with six tuning pegs is centered. Below it, a stylized orange and yellow flower with a green center is positioned. Two blue, flame-like or leaf-like shapes curve upwards from the base of the flower, each containing a small orange star. The word 'AMTESOL' is written in large, bold, orange-to-yellow gradient letters with a black outline. Below this, the text 'HARMONIES OF LANGUAGE, CULTURE AND LEARNING' is written in a smaller, black, sans-serif font, followed by 'TUNING IN TO STUDENT SUCCESS' in a similar font. The year '2026' is centered below the text. At the bottom, a dark blue silhouette of a winding path leads towards a small structure with three windows, all enclosed within a large, dark blue circular frame.

GIVE A PRESENTATION

The AMTESOL Conference is an excellent opportunity for you to showcase transformative products and services that can enhance teaching, research, collaboration, and advocacy for English learners in our region.

As you prepare your 20-minute or 45-minute session proposal, we encourage you to consider the following questions:

- What products or services have you developed that transformed classroom instruction and atmosphere for English learners?
- What challenges faced by educators have your products or services addressed?
- In what ways have you engaged with parents or the community to support English learners through your products or services?
- What new research or innovations can you offer that will shape the future of English learner instruction?

Whova

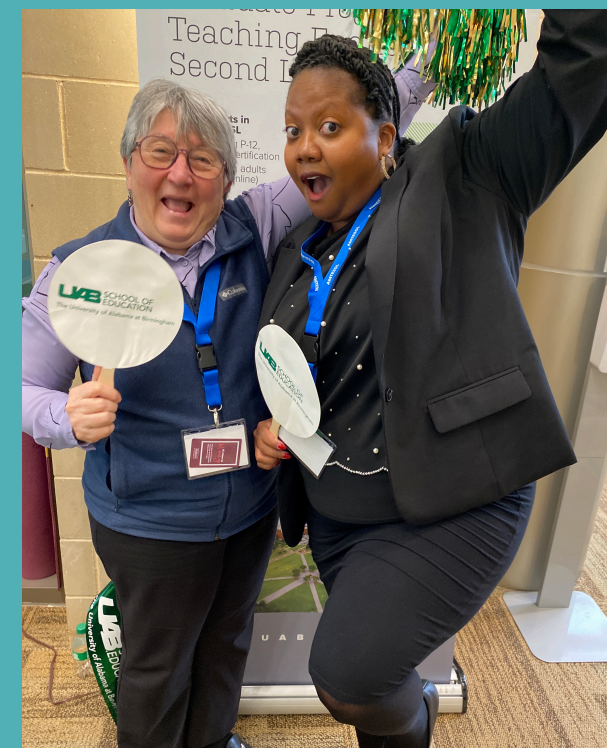

AMTESOL 2026 is using the Whova event web-based & mobile app!

Whova App Digital Booth in the Virtual Exhibit Hall

- There is no printed program this year so all attendees will use the digital Whova app, which features all Exhibitors in a Virtual Exhibit Hall and Sponsors in Banner Ads

Lead Generation & Capture

- AMTESOL 2026 attendees will be drawn to your in-person exhibit booth by "Passport Contest" gamification.
- Attendees need to visit your in-person booth and allow you to scan their unique Whova QR code to retrieve their contact data. This captures their lead for you and gives them a "passport stamp."
- Attendees need to collect a passport stamp from all exhibitors before 11am Saturday to be entered into the prize draw.
- Please see the instructions at this link:
